

Recoding of replaced IMB models Optoelectronic limit point switches

Replaced model	Current model	Description
OPG 01	OLS-C01	Limit point switch, stainless steel, standard version
OPG 02	OLS-C02	Limit point switch, stainless steel, selectable length
OPG 04	OLS-C04	Limit point switch, stainless steel, for refrigeration
OPG 05	OLS-C05	Limit point switch, stainless steel, high temperature version
OPG 06	OLS-F1	Limit point switch, stainless steel, hygienic version
OPG 051	OLS-C51	Limit point switch, stainless steel, ATEX approval
OPG 052	OLS-C52	Limit point switch, stainless steel, for shipbuilding, vibration resistant
OPG 061	OLS-F1	Limit point switch, stainless steel, hygienic version
